

ALL NEW LED Linear Highbay

FLHE Series

Install fixtures with one person, instead of two, and **SAVE ON LABOR COST!**

The compact size allows for quick and easy install so you can make the most with your budget.

NO REWIRING NEEDED!
Install controls easily within seconds!

This fixture comes control ready so you can save on time and labor.

Less SKUs allows for a **STREAMLINED INSTALLATION** process!

The FLHE Linear High Bay Series is 4000K/5000K CCT field-selectable so you can easily decide what is best suited for your project.
