LED Troffer/Panel/Strip Lights

 <p>FVTA series</p> <p>4,680-26,000 LUMEN</p> <p>Corrosion resistant, waterproof and dust-proof industrial lighting. Metallocking system. Easy installation</p> <p>UL LISTED DLC PREMIUM</p> <p>4ft (36w-200w) or 8ft (65w/100w) total 60w-450w fluoresc. equiv. 36w/46w/65w/100w/150w/200w LED up to 130 LPW 0-10v dimmable optional Sensor or EM backup kit</p>	 <p>FJAR series</p> <p>900 LUMEN</p> <p>LED Vaporproof Jelly Jars are IP66 rated against ingress of dust and pressurized water in harsh environments</p> <p>UL LISTED DLC PREMIUM</p> <p>wall mount, ceiling mount 100-watt incande. or 23-watt CFL equiv. 14w LED up to 75 LPW 100-277v frosted glass lens, optional red/green</p>
--	--

LED Vapor Proof

 <p>FWPT series</p> <p>4,300-15,500 LUMEN</p> <p>Traditional external design with internal benefit of LED for all wall mount applications</p> <p>UL LISTED DLC PREMIUM</p> <p>Semi-cutoff Design 70w-400w MH equivalent 35w - 120w LED up to 130 LPW Ambient up to 113 F° Non-dimmable, optional photocell</p>	 <p>FWPR series</p> <p>3,200-13,400 LUMEN</p> <p>Spec grade design with rotatable high performance light module(s) for various beam angles</p> <p>UL LISTED DLC PREMIUM</p> <p>Rotatable Module(s) Design 70w-400w MH equivalent 25w - 120w LED up to 135 LPW Ambient up to 113 F° Non-dimmable</p>
---	--

LED Wall Lights

 <p>FCPG series</p> <p>5,300-13,300 LUMEN</p> <p>Compact, provides illumination over an indoor/outdoor area with a low-medium ceiling</p> <p>UL LISTED DLC PREMIUM</p> <p>Surface, conduit or susp. mount 70w-320w MH equivalent 40w - 100w LED up to 134 LPW Dimmable, optional motion sensor parking garages, or as lowbay</p>	 <p>FCPB series</p> <p>14,800 LUMEN</p> <p>Slim design, provides illumination over an indoor/outdoor area with a medium-high ceiling</p> <p>UL LISTED DLC PREMIUM</p> <p>Surface, conduit or 2'x2' retrofit 400w MH equivalent 130w LED up to 118 LPW Non-dimmable gas station, service canopy</p>	 <p>FCPA series</p> <p>19,600-32,000 LUMEN</p> <p>Ultra slim design, provides illumination over an indoor/outdoor area with a high ceiling</p> <p>UL LISTED DLC PREMIUM</p> <p>Surface, conduit or 2'x2' retrofit 400w-750w MH equivalent 150w - 240w LED up to 137 LPW Non-dimmable gas station, service canopy</p>
---	---	---

LED Canopy/Garage/Lowbay Lights

 <p>FFLA series</p> <p>1,900-7,000 LUMEN</p> <p>Low to medium lumen outputs, compact design, provides illumination over a small area</p> <p>UL LISTED DLC PREMIUM</p> <p>Knuckle, Trunnion, Flood mount 50w-150w MH equivalent 15w, 30w, 50w LED up to 135 LPW Ambient up to 113 F° beam angle 110°</p>	 <p>FALB series</p> <p>10,100-37,400 LUMEN</p> <p>Medium to high lumen outputs, compact, provides illumination over a medium to large area</p> <p>UL LISTED DLC PREMIUM</p> <p>Arm, Slipfitter, Flood mount 150w-1000w MH equivalent 80w - 300w LED up to 130 LPW Ambient up to 113 F° IES Type III/IV or 40°/60°/90°</p>	 <p>FALC series</p> <p>10,300-40,800 LUMEN</p> <p>Architecture grade design, 7-prong receptacle included, microwave motion sensor option</p> <p>UL LISTED DLC PREMIUM</p> <p>Arm, Slipfitter, Trunnion mount 150w-1000w MH equivalent 80w - 300w LED up to 137 LPW Ambient up to 113 F° IES Type III/IV/V</p>
--	--	--

LED Pole/Flood/Area Lights

 <p>FPTA series</p> <p>3,955-10,125 LUMEN</p> <p>3000/4000/5000K tunable, install to standard tenon top pole, microwave motion sensor option</p> <p>UL LISTED DLC PREMIUM</p> <p>Install to tenon top pole 100w-250w MH equivalent 35w / 55w / 75w LED up to 138 LPW Ambient up to 122 F° IES Type V</p>	 <p>FFHP series</p> <p>51,000-135,000 LUMEN</p> <p>Ultra high lumen output, provides illumination over an extended or large area</p> <p>UL LISTED DLC PREMIUM</p> <p>Trunnion, Slipfitter mount 1000w-2000w MH equivalent 400w, 500w, 800w, 1000w LED up to 141 LPW Ambient up to 131 F° beam angle 30/50/100°</p>	 <p>FFHS series</p> <p>53,000-166,000 LUMEN</p> <p>Ultra high lumen output, provides long range illumination over an extended or large area</p> <p>UL LISTED DLC PREMIUM</p> <p>Trunnion, Slipfitter mount 100w-3000w MH equivalent 100w-3000w MH equivalent 400w - 1200w LED up to 147 LPW Ambient up to 131 F° NEMA 4x4, 3x3</p>
